Owing to its relatively low cost, we're concerned mainly with *public* transport. We may occasionally mention one or two of the numerous operators who offer private transport (usually in 4WD taxis or mini-buses) to and from resorts. Such transport, despite its usually higher cost, may suit your circumstances.

Many services operate during the declared snow season only (11<sup>th</sup> Jun to 2<sup>nd</sup> Oct 2022) and cater mostly for the weekend skier.

### Briefly...

- As it recovers from the pandemic, the *Snowball Express* (prop. Alpine Spirit High Country Coaches) service to/from Hotham is curtailed. With one exception (service S3H) it operates, for the 2022 season, between **Myrtleford and Dinner Plain only** and on **weekends only**. The operator suggests taking various V/Line rail and coach services in order to reach Myrtleford for connection with Snowball Express.
- *HothamBus* and *BullerBus* currently operate 'limited express' coach services from Melbourne to Mt Hotham and Mt Buller respectively. They are *limited* in the sense that one or two intermediate stops may be involved.
- Snowbus Australia (1300 781 221) owns and operates *HothamBus*, *FallsBus* and *BullerBus*.
- Both *FallsBus* and *Falls Creek Coach Service* provide 'limited express' services from Melbourne to Falls Creek.
- *Mountain-top Experience*, which links Moe railway station with Mt Baw Baw, is back in operation after closing during the pandemic.
- Marysville's *Country Touch* bus service, a casualty of the pandemic, no longer operates.

**Caution:** Some companies (eg charter operator North East Coachlines) may apply 'dynamic' pricing — that is, ticket prices which depend upon the quality of the snow season, the date and passenger demand.

Tickets on all public transport into the Alpine National Park (eg to Mt Hotham, Dinner Plain, Falls Creek, Mt Buller, Mt Baw Baw, Mt Stirling) include cost of park entry, usually at a much-reduced rate compared to private vehicle entry.

## North East Coachlines

Wangaratta-based North East Coachlines is a private charter operation which may prove useful if you've organised a suitable number of people with a required destination. It offers transfers to and from the transport hubs of Albury Airport and Wangaratta Railway Station by small van, mini-bus, or coach according to numbers. Base one-way cost of \$360 between, say, four passengers is \$90, with economies for larger numbers. The company will quote you for transfers to other pick-up and set-down locations.

# Mt Hotham

## Luggage arrangements

On arrival at Hotham, depending upon your coach operator, you may need to arrange further transport (the free *Village Bus* [aka *Snow Bus*] or the non-free *sno-tow* service) in order to move your luggage to your accommodation, currently Eiger Lodge (alight at bus stop 8, 'Davenport Access').

**a. Village bus.** Similar to a suburban bus, the *Village Bus* circulates continuously around Hotham village, stopping at designated places only — you'll still need to carry your luggage to Eiger Lodge (the lodge sled makes this less laborious). Provided by Alpine Spirit High Country Coaches, the Village Bus operates between 6.45 AM and 1.45 AM each day, with possibly restricted hours outside declared ski season (11 June – 2 Oct 2022).

**New in 2022:** *Hail-a-bus* and *Snow Bus tracking*

To utilize these services (available between 8 PM and 1.45 AM), you must register as a Hotham Village Shuttle Bus user at:

<https://www.alpinespiritcoaches.com.au/hail-a-bus/index.html>

**Hail-a-bus:** Hail a bus from your phone, and one will be despatched to your bus stop as soon as possible

**Snow Bus tracking:** Use your phone GPS to check location of next bus — could save you a chilly wait!

**b. sno-tow.** The *sno-tow* service (03 5759 3663) conveys your luggage directly to your accommodation for a charge.

## 1. HothamBus

Melbourne - [Melb airport or Wangaratta RS] - Bright - Harrietville - Hotham - Dinner Plain

Operated by Snowbus Australia, HothamBus offers a same-day, twice-daily Fri-Mon service. Of main interest is the 10 AM service via Melbourne airport by-passing Wangaratta. If you're really keen, the night service departs Melbourne at 1.50 AM, reaching Mt Hotham at 7.50 AM. Services stop at several places around the village, possibly simplifying your luggage arrangements. The return service to Melbourne starts at Dinner Plain and makes its rounds of Hotham village before descending to Harrietville.

## 2. Alpine Spirit High Country Coaches ('Snowball Express')

Myrtleford - Bright - Harrietville - Hotham - [Dinner Plain]

Alpine Spirit High Country Coaches operates the *Snowball Express* between 25<sup>th</sup> June and 25<sup>th</sup> Sept. For the 2022 season, it operates the following reduced service:

- routinely between *Myrtleford and Dinner Plain*,
- on *weekends only*, with
- a one-way connection S11E (booking essential) back to Melbourne.

Unlike in previous years, when the service would stop at various locations around the village there is, for the 2022 season, just one stop, at Hotham Central (aka Hotham Heights).

**Table 3 Snowball Express: Melbourne - Dinner Plain**

V/Line + Snowball Express: Melbourne - Dinner Plain					
	F			S, Su	
	V/Line		<sup>1</sup> Accommodation	Snowball Express	
	Rail	Coach		S1H	<sup>2</sup> S3H

### 3. Dyson Group

#### Alps Link

[Melbourne - Wangaratta] - Bright - Harrietville - Hotham - Dinner Plain - Omeo - [Bairnsdale - Melbourne]

Dyson operates the *Alps Link* coach service under contract to Public Transport Victoria, and offers you, at reasonable cost, the choice of reaching Hotham from either the Harrietville or the Omeo (incl. Dinner Plain) side of the Dividing Range. Either trip from Melbourne is in three sections:

**Table 5 VLine - Dyson services, Melbourne - Mt Hotham**

via Wangaratta		via Bairnsdale	
Melbourne - Wangaratta:	V/Line rail	Melbourne - Bairnsdale:	V/Line rail
Wangaratta - Bright:	Dyson coach	Bairnsdale - Omeo:	*Dyson coach
Bright - Mt Hotham:	Dyson/Alps Link coach	Omeo - Dinner Plain - Mt Hotham:	Dyson/Alps Link coach

\* PTV route 14

**NOTE:** The Alps Link service is useful if you wish to drive to, and park at, Bright or Harrietville — or, from the other side, Omeo or Dinner Plain — and complete your trip on Alps Link, resulting in substantial savings on entry to the Alpine National Park. Once you reach Bright, that side of the Range is serviced by a number of operators perhaps, if necessary, enabling you to change between them (at cost). Enquire with the operators.

**Table 6 Alps Link: Bright - Omeo**

Bright	Alpine Hotel V/Line stop, 7-9 Anderson St, Bright	1100	1910

\* pick up / set down booked passengers only

A major constraint on Alps Link's connections with other services is its restricted operating schedule: Friday, Sunday and Wednesday in either direction. This means that connections with other services rarely accomplish a trip from a capital city in one day, and overnight stops are usually involved. So if you're happy to take your time and include some sight-seeing in your snow holiday, this could be just the ticket!

Owing to its tenuous connections, the Bairnsdale - Omeo route does not really cater for the weekend skier; nonetheless, [Tables 6 and 7](#) detail the quickest-possible trips. Check the [timetable links](#) on p10, or enquire with Dyson, for other travel times. Unless you're happy taking a leisurely trip, you'll probably prefer the Melbourne-Mt Hotham route via Wangaratta.

### Melbourne - Mt Hotham via Omeo

Melbourne - Bairnsdale - Omeo - Dinner Plain - Hotham

A one-day trip to Mt Hotham via Omeo is, on a gamble, *just possible* and *only* on a Wednesday.

**Caution:** Dyson does not publicise this as a formal connection, which relies on its route 14 bus reaching Omeo on time. As the Alps Link bus *will not wait* for the arrival of a late-running (rare, but not unknown) route 14 bus, you risk missing your connection to Mt Hotham and having to stay two nights in Omeo (next available Alps Link bus is Friday!)

**Note:** • **Return trip** Since all route 14 Dyson coaches depart Omeo for Bairnsdale at 0800 at the latest (0630 on school days), there is no one-day Mt Hotham - Melbourne connection possible on your return. For the quickest south-going connection (see [Table 7](#)), take either of Wednesday's Alps Link buses — you'll stay overnight in Omeo before taking the 0800 Thursday service to Bairnsdale.

- 'route 14' is a PTV designation which Dyson does not use

<sup>1</sup> pick up / set down booked passengers only

<sup>2</sup> overnight accommodation is passenger's responsibility

<sup>3</sup> departs from primary school, Great Alpine Rd

The Omeo to Bairnsdale PTV/Dyson coach services depart daily at either 0630 or 0800 depending upon whether the date occurs within school terms or within school vacations. Although travel on other days is possible, in order to return to Melbourne you will spend one or more nights in Omeo. Check with Dyson's Bairnsdale depot. General public may travel in school buses.

**Melbourne - Mt Hotham via Wangaratta**

Melbourne - Wangaratta - Bright - Hotham - [Dinner Plain]

Compared with the Bairnsdale - Omeo route, the Wangaratta - Bright coach route is more comprehensively serviced, simplifying your transfer to Alps Link at Bright or Harrietville. Dyson operates the Wangaratta - Bright service under contract to Public Transport Victoria.

## 2. FallsBus

**Limited express:** Melbourne - Melb airport - Myrtleford - Falls Creek

Operated by Snowbus Australia, FallsBus offers a same-day, twice-daily 'limited express' Friday to Sunday service to Falls Creek. Of main interest is the 10 AM run via Melbourne airport. For the really keen, the night run departs Melbourne at a resolve-testing 1.50 AM, reaching Falls Creek at 7.55 AM.

## Mt Buller

Three public coach services operate between Melbourne and Mt Buller:

- *Mt Buller Ski Express*,
- *Mt Buller Snow Coach*, and
- *BullerBus*

Details at:

<http://www.mtbuller.com.au/Winter/plan-your-visit/getting-here/coach>

The lack of public transport between Benalla and Mansfield reduces the options you might expect in travelling from or to Melbourne. In order to reach Mt Buller from Melbourne, you must either:

1. travel entirely by either:
  - a. *Mt Buller Ski Express*,
  - b. *Mt Buller Snow Coach*, or
  - c. *BullerBus*;
2. drive to Mansfield, from where you complete the trip by MMBL coach; or
3. take public transport to Benalla (rail or coach), hire a taxi to Mansfield from where you complete the trip by MMBL coach.

**NOTE:** Do not confuse *Ski Express* with *Snow eXpress*! The latter appears to be a small charter operator who offers day tours to Mt Buller for small groups (5.30 AM pickup in Melbourne; same-day 8 PM set-down in Melbourne).

### 1a. Mt Buller Ski Express

Melbourne – Tullamarine AP - Mt Buller

At publication time of our article, information on the MMBL web page

<https://www.mmbbl.com.au/skiexpress>

displayed 2021 info. Check with operator.

## 1b. Mt Buller Snow Coach

Melbourne - [multiple stops] - Yea - [multiple stops] - Mansfield - Mt Buller

*Mt Buller Snow Coach* is a collaboration between V/Line, Mansfield-Mt Buller Bus Lines and Mt Buller Resort. Catering primarily for regional Victorians, it makes for a long day if you're travelling to or from Melbourne. In both directions, services connect Melbourne with Mt Buller via Yea through either Whittlesea or Healesville.

\* MMBL coach stop for Sawmill Settlement

connects with V/Line coach to Melb

connects with Sunday V/Line Melbourne coach, 1800 ex Mansfield

This MMBL option is essential if your destination is between Mansfield and Mt Buller (eg Sawmill Settlement or Mt Stirling).

- Note:**
- Pick-up/Set-down at Mirimbah for connecting bus (Stirling Shuttle) to Telephone Box Junction (Mt Stirling)
  - MNSC may occasionally book accommodation at Sawmill Settlement, a scheduled stop for the MMBL bus. As you will alight on the main road, consider that you will probably need to carry your gear to your accommodation (perhaps no more than 200 m).

## Mt Stirling

**Mountain Bus Service** (aka *Stirling Shuttle*)

Mirimbah - Telephone Box Junction

**Table 25 Mt Stirling Mountain Bus: Mirimbah – Telephone Box Junction**

Mt Stirling Mountain Bus: Mirimbah - TBJ		
	AM	PM
Mirimbah, Old Stirling Bridge (L of Mirimbah entry gate)	0930	1300
Telephone Box Junction	0950	1320

**Table 26 Mt Stirling Mountain Bus: Telephone Box Junction - Mirimbah**

Mt Stirling Mountain Bus: TBJ - Mirimbah		
	AM	PM
Telephone Box Junction	1230	1600
Mirimbah, Old Stirling Bridge (L of Mirimbah entry gate)	1250	1620

They call it ‘The Beast’. It’s unique, the kids love it and it’s one of the most capable 4WDs ever built. Stirling Experience’s Mercedes Unimog 1700L operates daily, during the ski season, between the resort entrance at Mirimbah and the Nordic base at Telephone Box Junction (TBJ). As it recovers from the pandemic, Mt Stirling resort recommends that you check availability of the Mountain Bus before travel.

To reach Mirimbah, you may either:

- take V/Line bus from Melbourne and connect at Mansfield with the Mansfield-Mt Buller Bus Lines service (refer to [MMBL timetables](#), p18) to Mt Buller, or
- drive to Mirimbah and park in the Mirimbah Riverside Car Park for a moderate daily charge.

**Timetables, fares, bookings** <https://www.stirlingexperience.com.au/transport/mountain-bus/>

- (03) 5777 6441 (business hours) or 0418 773 541 (Craig)
- [info@stirlingexperience.com.au](mailto:info@stirlingexperience.com.au)

## Lake Mountain

### Melbourne - Marysville - Lake Mountain

No public transport leaves Melbourne early enough to make skiing at Lake Mountain a feasible day trip.

The constraint in taking public transport to Lake Mountain is the availability of the Lake Mountain Snow Shuttle, which must be booked and runs, during the declared ski season, every day in *school vacations* and otherwise on *weekends only*. This means that, outside of school vacations, in order to spend the weekend at Lake Mountain, you must reach Marysville at least on the Friday prior, stay overnight in Marysville before taking the 0900 shuttle next day. Unless you intend spending extra time in Marysville, there is no virtue in arriving earlier than a Friday since there is no shuttle to take you beyond Marysville until the weekend.

Similarly, on leaving Lake Mountain, the second (and last) shuttle back to Marysville leaves the resort at 1500 Sunday. You would then stay overnight in Marysville before boarding the route 684 McKenzie bus for Melbourne the next day (Mon), the first of which leaves Marysville at 0814 (the later 684 services that day terminate before Melbourne CBD, requiring you to take a suburban train to complete your journey).

These constraints mean that, if you depend on public transport and you're outside school vacations, you can stay at Lake Mountain either

- for a weekend (Sat night accommodation only), or
- for that weekend plus the week following (7 nights).

That is, if you stay past Sunday, your next opportunity to leave the resort will be the following Saturday. This of course implies that you've booked the necessary resort accommodation and shuttle trip back to Marysville.

Still interested? Here's the travel plan:

- i take route 684 bus Melbourne to Marysville  
(alight at intersection of Falls and Park Rds, Marysville)
- ii stay overnight in Marysville,
- iii take Lake Mountain shuttle bus (Marysville to Lake Mountain)  
(departs from Lake Mountain Visitor Centre, Murchison St [very close to Falls Rd/Park Rd intersection]), then
- iv stay as booked (either one night, or seven until next Saturday) at Lake Mountain Alpine Resort

- NOTE:**
- 1 The route 684 bus is operated by McKenzie's Tourist Services, Ringwood by arrangement with PTV
  - 2 Although it's a normal myki-enabled public bus service, route 684 can be very busy during a good snow season; check seating availability with the operator on (03) 5962 5088
  - 3 You may also join or leave bus 684 at Lilydale railway station
  - 4 Some route 684 services terminate at Eastland shopping centre, Ringwood

Tables 27 and 28 show services and times geared mostly for a weekend visit. Remember that on both Saturday and Sunday (or every day during school vacations), there are just two forward (0900, 1030) and two return (1330, 1500) shuttle trips to/from Lake Mountain, both of which you must book.
